## DRAW OR WRITE YOUR IDEAS

Mood = common vibe

### MOOD

Think of 3 things that are common vibes for the future.

Hits Different = Something that "hits different" lands differently than usual

### HITS DIFFERENT

Can you think of 3 things that hit different? They are not 'mood' future vibes, but are important to you?

FIRE= amazing and on point  
Slay = extremely successful

### FIRE

Can you create a future scene where your ideas are fire and completely slay?

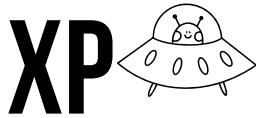

# SATELLITE INSPIRED BY MIA

## MISSION

### DESIGN YOUR OWN FUTURE SATELLITE DRAW OR WRITE YOUR IDEAS

XP=experience points in gaming that allow you to level up your player abilities

WHAT WOULD BE SOME COOL XP TO LEVEL UP A SATELLITE?

MODS=modifications & in gaming it refers to changes to original content files to enhance gameplay, graphics, or other features.

WHAT MODS WOULD A SATELLITE NEED TO GAIN XP?

## MISSION

WHAT MISSION COULD YOUR XP MOD SATELLITE DO? WHAT WOULD BE THE END GAME?

Endgame=final outcome. What changes would your XP + MOD Satellite make to the universe?
